**Step 5:** Now that you are signed into your Pluralsight account, start your training by clicking on the link below to access the training guidance page.

- FED - <https://app.pluralsight.com/channels/details/b15d9c34-eeb1-4f86-9e91-cbb1ab9b385d?s=1>
- BED - <https://app.pluralsight.com/channels/details/1cf7ca3d-d7cf-4b6a-ae8f-54d7c6f4bc37?s=1>

(After clicking on the link, you will be asked to sign in again. Input your email or username and password, then click on Sign in. Once done, you may now access our FED and BED channels.)

The image shows the Pluralsight sign-in interface. It features the Pluralsight logo at the top left. Below it, there are two input fields: 'Email or Username' and 'Password'. A blue 'Sign in' button is positioned below the password field. Below the button, there are links for 'Forgot password?' and 'Sign in with company or school'. At the bottom, there is a 'Create an account' button. The footer contains copyright information: 'Copyright © 2004 - 2023 Pluralsight LLC. All rights reserved.' and links to 'Terms of Use' and 'Privacy Policy'.

**Step 6:** Click on the 1<sup>st</sup> module from each channels to start your training.

The screenshot shows the Pluralsight Skills interface. At the top, there's a navigation bar with 'SKILLS' and icons for Home, Browse, Search, Skill IQ, Certifications, Paths, Channels (active), and Bookmarks. Below the navigation bar, the 'My channels' section displays the 'ATA\_Front End Development' channel by Florraine Fernandez, with 85h 10m of content, 4 members, and a company 'Proquire LLC'. A '1%' completion badge indicates 'You watched 1m 2s of content. You're a learning machine!'. A 'Joined' button and a list of members are also visible.

Below the channel details, a list of courses is shown, with the first one, 'Visual Studio Code', highlighted by a purple box:

A cookie notice at the bottom states: 'Pluralsight uses cookies. [Learn more about your privacy](#)'.

**Step 7:** Once done with FED, you may start to take BED. Before taking the module, please take the Java pre-assessment first to test your skills on the topic.

After completing the following skill IQ assessments, click "**View IQ Details**" to view your score and recommend content to fill your skill gaps.

The screenshot displays the Pluralsight interface for the 'ATA\_Back End Development' channel. The top navigation bar includes links for Home, Browse, Search, Skill IQ, Certifications, Paths, Channels (active), and Bookmarks. The channel page shows a 'SKILLING UP' badge, the channel name, and a '0% YOUR COMPLETION' status. A 'Java pre-assessment' section is highlighted with a purple box, containing instructions to take a 15-minute assessment. Below this, a 'Java Fundamentals' Skill IQ assessment is visible with a 'Measure now' button.
